

Transparent.

*futuristic wheelchair**

Contemporary life
(what is going on right now?)

Why would you
change it?

or playful?

more sexy
or awkward?

Contemporary Transformation of "Sexy Relax"

forcing action
through physical
interaction

- Shape
- material
- Colour

How far
can I go?

Contemporary Techniques

What means
"Transformation"?

= complete change in
appearance or
character
(thing is improved)

Contemporary materials

club

more Sexy
↳ 2014/2015

less Sexy

↳ "the future not significant"

Sexy Relax Transformation
(forcing people to do something)

more futuristic

- Simple
- Sitting more in the future
- Sexy relax - the future

- In the future everyone will sit and everyone has a chair and needs to be adaptable to a new position.

No chair

- Same concept in a different jacket
- fitting.

In the Concept of Richard Hatten.

- producible for the mass
- fewer production techniques.

future Sexy Relaxy
adaptable to a sexy
pose whenever
user wants it.
